

The Wise Woman is a journey of initiation into the wholeness of a woman's life. It is an essential part of the spiritual journey that has been made possible by the death and resurrection of Jesus Christ. The entire weekend experience is founded on biblical principals that seek to address the formation of Christ-like character in Christian Women. It is a place to discover our identity as daughters of the Most High. It is a time to experience the power of community over isolation and self-determination. You will be given opportunities to explore your personal journey in safe but challenging ways. Since the goal of the weekend is to help you live as a fully embodied Christian woman, the weekend experience will challenge you emotionally, spiritually and physically. Because of this, we ask that you please consider carefully whether or not you should attend this training. This weekend is not for everyone. You must be highly committed to working out your salvation and willing to look deeply into your own heart, confronting your fears, wounds from the past and the specific ways that sin is keeping you from becoming all that God has created you to be. If you feel like you are at a place in you spiritual journey where you would like to take this next step, then please fill out this application and return it with your registration fee. SPACE IS LIMITED and the weekends fill quickly!

While the training is designed to be challenging, you will decide how far you want to go with your work. These questions will help us to set up your weekend experience to fit your particular needs. All of the processes have been created with your physical, emotional and spiritual safety in mind and you are free to pass at any time on any of the processes. There is no shame in passing. If there are any medical conditions that may affect your participation in the physical activities, please indicate that in your answers.

1.) HOW LONG HAVE YOU BEEN A CHRISTIAN?

2.) HOW WOULD YOU DESCRIBE YOUR SPIRITUAL LIFE?

3.) IS THERE A PARTICULAR "BESETTING" SIN IN YOUR LIFE THAT YOU ARE AWARE OF?

4.) WHAT WOULD YOU LIKE TO GAIN FROM THIS WEEKEND?

5.) ARE YOU ON ANY MEDICATIONS?

6.) ARE THERE ANY MEDICAL CONDITIONS THAT MAY AFFECT YOUR PARTICIPATION?

STATEMENT OF COMMITMENT

Creating sacred space takes careful, intentional planning and a common understanding of the commitments held by each member of the group. For that reason we ask each person attending the weekend to read through the commitments and sign the statement of commitment.

CONFIDENTIALITY

What happens in the group, stays in the group. Each member is committed to holding as sacred another woman's work and will not discuss it outside of the group with anyone. You may however discuss your own work wherever you deem appropriate.

PROCESS

Be honest. Speak the truth (in love). You will get out of the weekend as much as you put into it. You will decide what your work is. Opportunities for "working out your salvation" will be presented throughout the weekend. You may pass at any time. There is no shame in passing.

PHYSICAL SAFETY

Because the nature of this work involves the integration of a woman's entire being, the work can be physical at times. This requires every woman to come prepared to work and be emotionally and physically present. Every woman must committed to a policy of no drugs, alcohol, or violence to people or property.

TIME

The weekend begins at 7PM Friday and ends at 1PM on Sunday. The weekend is comprehensive and requires your attendance. Free time is built in to the schedule but you may not leave the grounds. If anyone leaves at any time during the weekend they cannot return to the training.

I HAVE READ THE STATEMENT OF COMMITMENT AND I AGREE TO UPHOLD THESE COMMITMENTS.
